WINTERGREEN GOLF & COUNTRY CLUB SEASONAL MEMBERSHIP INFORMATION

Thank you for your interest in Seasonal (Nominee) Membership at Wintergreen Golf & Country Club. Wintergreen operates throughout the summer season (May to mid October) as an 18 hole, semi-private golf facility, nestled in the Foothills of the Rockies near Bragg Creek. The golf course serves 156 non-equity members and their families, daily fee players and corporate tournaments. Wintergreen currently has a limited number of seasonal memberships available for 2017. The seasonal memberships are an option available to all public players on a first come first serve basis.

Wintergreen currently offers two types of Seasonal Membership options; Full Seasonal Membership and Restricted Seasonal Membership. Details for both are outlined on the second page. The total annual dues amount for a regular membership owner would be \$3061.10. The price of a Full Seasonal Membership works out to just \$165.00 more than a membership owner would pay for the year. The Full Seasonal Member is entitled to everything that an owner receives excluding voting rights in the Membership Society.

Throughout each golf season the Wintergreen Society organizes a number of tournaments and events. The Wintergreen Ladies League runs every Tuesday afternoon and the Men's League runs every Thursday afternoon. More information on member leagues and events can be found on the Society website: www.wintergreengolf.ca

If interested in purchasing a seasonal membership, please contact Stacey Beaudry as soon as possible. Once confirmed, she will provide you with the seasonal dues invoice and get you setup with everything you will need to get golfing in the spring. Wintergreen's 2017 opening date is set for Friday May 5th, weather depending. Please do not hesitate to contact us if you have any further questions.

One of the best guest green fee discounts available to members only, is the Pre-Paid Guest Green Fee 10 Pack option. The cost for the booklet is just \$660.00 + gst and the vouchers can be used any day or time of the week. Members have the option to purchase up to a maximum of 3 booklets each season.

The annual dues does not include the use of power carts. There is a \$749.00 + gst annual cart fee per membership (optional). The senior cart rate (65+) / medical cart rate is \$321.00 + gst. If a member has a medical disability, they are then eligible for the reduced cart rate. Wintergreen is a walkable course and members who do not purchase the annual power cart are able to pay for a cart on a daily basis (\$18.00 / cart seat).
